SPO Tracker

The Program Executive Office Command, Control, and Communications Tactical (PEO C3T) Special Projects Office (SPO) was tasked with preparing PEO C3T military, DA civilians, and civilian contractors to deploy in support of Operation Enduring Freedom. A system was required to track personnel from training through deployment and back to home station. The SPO-Tracker Personnel Manager web site (SPO-Tracker) and supporting database were developed by PEO C3T KEIL to enable SPO Operations personnel to accomplish this task.

- Tracks location of individuals from the time they entered training until they returned home to their worksite
- Up-to-date progress of personnel deployed and personnel preparing to deploy
- Provides travel itineraries, various management reports, and administrative comments pertaining to an individual
- Contract Information
- Medical Information
- Extensive Contact Information
- Dynamic Reporting Capabilities
- Secure Login and User Access
- Available anywhere in the world from a web browser
- Future Enhancements Include: Expanded Reporting Capabilities
